

Murray Altham

With relentless optimism, Murray brings to your audience a unique and exhilarating mix of expertise, empathy, humour and drive.

His focus is on customising an experience to connect with your audience and ignite the highest and truest expression of their potential.

Murray will tailor stories and participation that fit your brief. He'll entertain and empower, being a catalyst for impact that lasts long after he's walked off stage.

Watch my Demo

The Pharmacodynamics of Success

In this high energy session Murray shares his award winning expertise built from 20'000+ Specialist interactions over three decades in seven countries, working in Psychiatry, HIV, Diabetes and Obesity.

Your audience will revel in hearing from someone who understands your industry from the inside as he ignites their capacity to find new levels of performance and results.

Themes explored include communication, tenacity, empathy, collaboration, achieving the impossible and loving what you do.

Key Takeaways:

- The 3 vital signs of game-changing performance.
- Why purpose driven self-leadership is your superpower.
- The number 1 communication skill to multiply your impact.

"Murray delivered a unique blend of humour, passion, purpose and a depth of personal experience. He left us inspired to make the impossible possible."

Vice President, Laerdal

"Murray is not just an educator, he is an entertainer! He inspired our team and delivered beyond our expectations!"
