

MURRAY ALTHAM

Motivational Mindset Speaker

Rise & REVIVE

Give yourself a fresh start!

Murray works with organisations to empower their people to release a fresh mindset and step boldly and confidently into the future. He helps you bring new potential to life.

As a leader, you know first hand how life and business has been shaken up, isolating your people and teams, leaving them feeling on edge, overwhelmed and depleted. This shows up in your organisation in many subtle and significant ways affecting decision making, cohesiveness, focus and flexibility. In this high energy and empowering keynote, Murray restores a new sense of vitality, resetting mindsets so business and careers can move forward with renewed purpose and ambition.

This keynote is THE catalyst to equip your people to recover, refresh and reconnect so they can release their spectacular team potential.

| | |
|----------|---|
| R | Reset - Shake it off and share the love. |
| E | Edify - Unleash the language of excellence. |
| V | Visualise - You need to see it to be it. |
| I | Improvise - Your best thinking got you here. Where to now? |
| V | Vaporise - Some things have got to go! |
| E | Energise - Look after the asset that creates all of your other assets... YOU! |
